**Our Story:**

Established in 2011, Billet Engineering is a hydraulic cylinder manufacturer and provider of quality hydraulic cylinder repairs. We operate from our well-equipped and maintained workshop in Kalgoorlie.

With our in-house facilities, skills, and experience, you can trust us to provide high-quality hydraulic cylinder components and carry out comprehensive repair services.

**What We Do:**

At Billet Engineering, we offer a wide range of engineering services, including manufacture, repair, replacement, and servicing for all your mining and earthmoving hydraulic and associated componentry. We also perform other services such as but not limited to:

- ▶ Machining Services
- ▶ Hard Chrome Plating
- ▶ Design & Manufacture
- ▶ Service Exchange
- ▶ CNC Machining

**Why choose Billet Engineering?**

We have a team of experienced tradespeople who are always at your beck and call. By drawing strength from our commitment to provide you with quality engineering services, our team assures:

- ▶ A fast turnaround time;
- ▶ High-quality products;
- ▶ Unsurpassed technical and customer service;
- ▶ Focus on continuous improvement across all companies, products, and services; and
- ▶ The most extensive product and application experience in the industry.
